“Calling his Closest Friends”

Luke 5:1-11 (New International Version)

Disparity (dis-par-ity) definition

- 1. Inequality or difference, as in rank, amount, quality, etc.**
- 2. Unlikeness, incongruity**

These are meant to be reflective questions.

1. What kind of encounters have you had with God that have brought you to your knees?
2. What is your “catch of fish?” What would be the best way for you to be reached? What about those around you?
3. Do you think you have anything you can offer God? What are they? List them.
4. What happened when you told Jesus to go away? (I am assuming you have done it) Did you do it because of the disparity you saw?
5. “If you say so” is what Peter said to Jesus on many occasions. There are times when we just don’t feel like following Christ because it just doesn’t make sense to us. How can you just say “if you say so” no in your life? Give specifics.

Read Psalm 138 and 139 as a prayer.
