# A NOTE FROM PHIL:

Dear Family at Oaklands Chapel,

Our Lord is up to something special at Oaklands Chapel. I fully believe that nothing happens by coincidence. We must learn to receive everything from His hand and embrace what He is teaching us in each experience. The reality of Barb's health condition means that unless He chooses to heal her in a special way (something we continue to pray for!), there is coming a day when I will need to pull back from full time ministry here to care for her increased physical needs. In that reality there is an opportunity for us to embrace. The Elders have been prayerfully considering the way in which we should prepare for this probable scenario and would like to have the opportunity to discuss some of these ideas with the congregation as a whole. With that in mind we plan to take a few minutes out of the Sunday morning service next week, June 28<sup>th</sup>, to simply share our thoughts at this point.

On a personal note I would like to express once again my deep gratitude to all of you for the love, support and prayers you have showed our family through this season of difficult news. May God continue to give us grace to truly love and support one another as we receive life from His hand together.

With much gratitude,  
Phil Horton
