Janice Ricketson's recent top picks:

"Walking from East to West" is an intimate chronicle of the life of renowned Christian thinker Ravi Zacharias. With simplicity, candor, and humility he tells of his journey beyond a turbulent childhood in the Eastern culture of his homeland in India to a truth that has sustained him.

"Lessons from San Quentin H64741" chronicles Bill Dallas's journey from narcissistic playboy to suicidal inmate to spiritual apprentice. It introduces us to his unlikely mentors - San Quentin's Lifers, who guided Bill to an unexpected relationship with God. Bill shares life lessons that he had to learn the hard way - but that can help you triumph over even the most difficult circumstances.
